March of Dimes National Sponsors-2006

Below is a list of National March of Dimes Walk America® sponsors. Please write them and ask that they support only Humane Charity Seal-approved charities. Also keep your eye out for local sponsors in your community, and give them some of the enclosed fliers. Many employees are not aware that MOD funds animal experiments.

**In communications with PCRM, these sponsors have indicated that they will no longer be funding March of Dimes research involving animals, but will instead contribute to MOD's non-animal educational programs. In your letters to these companies, you may want to thank them for this important first step, but urge them to instead support an entirely cruelty-free charity, like the many that can be found at www.HumaneSeal.org.
